Asphalting work on M7 shared path, Cecil Hills to Glendenning, Monday 29 April to Friday 10 May 2019

Westlink M7 is carrying out planned asphalting and line-marking maintenance work on the M7 shared path between Cecil Hills and Glendenning from **Monday 29 April 2019** to **Friday 10 May 2019**. Work hours are between **7am** and **5pm**, weather permitting. See maps showing our work areas overleaf.

Shared path closures and pedestrian/cyclist detours

During asphalting works, sections of the shared path will be closed to public access, for safety reasons. Detour routes via local paths or parklands will be in place for pedestrians and cyclists, where possible. Shared path users are asked to allow extra commute time, observe signage and follow instructions of traffic controllers at work areas.

Access to the shared path will be maintained at all other locations where work is not being carried out.

Line Marking

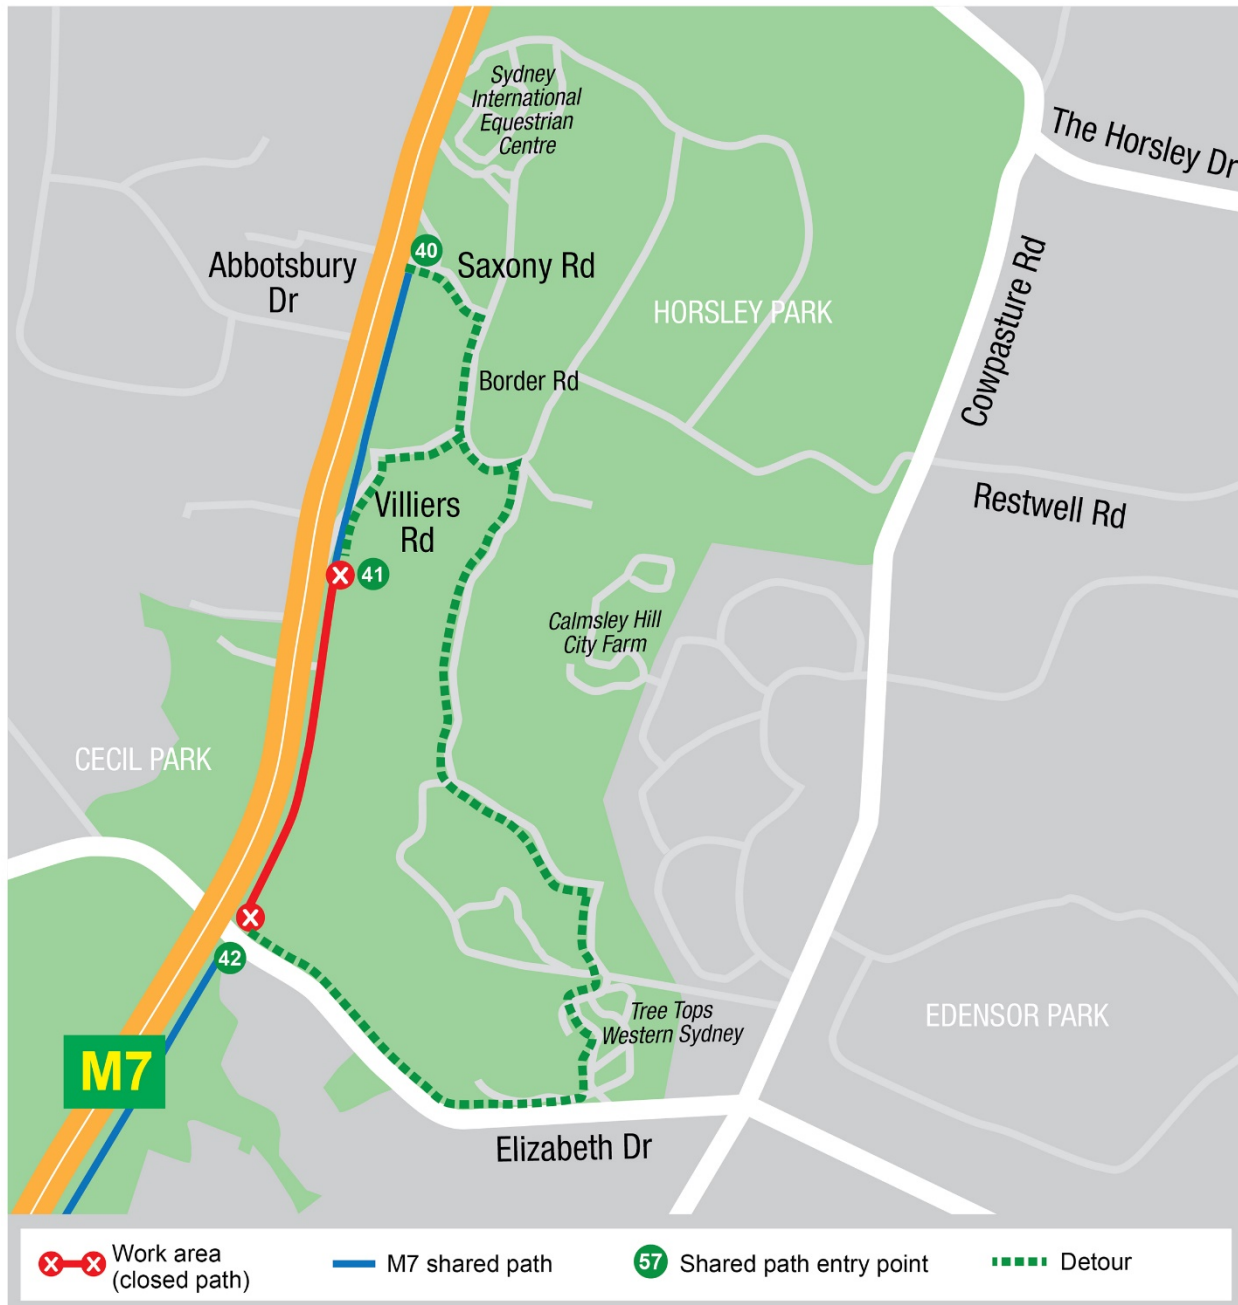

Rolling line marking works will be carried out on the shared path from Cecil Hills to Glendenning on **Friday 10 May 2019** between **7am** and **5pm**, weather permitting. Traffic controls will be in place at our work areas, and delays are not anticipated for shared path users.
