Dear Stakeholder

Night work and a ramp closure on M7 Motorway for small movement joint repairs at the Bernera Road Interchange, Prestons (northbound)

Westlink M7 is planning on completing work to repair damaged small movement joints on the M7 Motorway northbound entry ramp at the Bernera Road Interchange, Prestons.

Work will occur on **Monday 23 August 2021** from **9pm** to **5am**, weather permitting.

To minimise disruption to road users, work will be completed at night. For the safety of our workers, traffic changes will include a temporary closure of the Bernera Road northbound onramp to the M7 Motorway, Prestons.

A **detour** will be in place for road users wishing to enter the M7 Motorway at Bernera Road Interchange via Bernera Road, Joadja Road, Hoxton Park Road and Cowpasture Road, Prestons, to re-join the M7 Motorway at the Cowpasture Road Interchange. The detour and map of our work can be found on the map **overleaf**.

Overhead variable messages and traffic control signs will alert road users of changes to traffic conditions.

The M7 mainline will remain open to traffic during the work, and delays are not expected.

Westlink M7 thanks motorists for their patience and understanding while maintenance work is carried out.

Yours sincerely

Westlink M7
