Quarterly toll adjustment on Westlink M7 Motorway from 1 October 2023

A quarterly toll adjustment on the Westlink M7 Motorway will take effect from **1 October 2023**.

From 1 October 2023, the GST inclusive toll prices on the Westlink M7 for Class A and Class B vehicles will be:

| Vehicle Class | New minimum | New maximum |
|---------------|-------------|-------------|
| Class A | \$0.65 | \$9.59 |
| Class B | \$1.95 | \$28.77 |

Toll prices are different depending on the vehicle class.

Westlink M7 uses a distance-based tolling system. For trips of less than 20 kilometres, the toll is calculated on a cents per kilometre rate. For trips of more than 20 kilometres, the toll is capped at 20 kilometres.

The toll price is reviewed quarterly in accordance with the project deed signed between Westlink M7 and Transport for NSW in 2015. Tolls on the Westlink M7 are adjusted in line with movements in the CPI.
