### **Westlink M7 - Quarterly toll adjustment from 1 January 2019**

A quarterly toll adjustment will take effect from **1 January 2019 to 31 March 2019** on the Westlink M7 motorway.

The adjustment is in accordance with the project deed signed between Westlink M7 and Roads and Maritime Services in 2015.

Westlink M7 uses a distance-based tolling system. For trips of less than 20 kilometres, the toll is calculated on a cents per kilometre rate. For trips of more than 20 kilometres, the toll is capped at 20 kilometres.

For cars and motorcycles, the GST inclusive cents per kilometre rate will increase from 40.53 cents to 40.71 cents. The GST inclusive maximum toll will be \$8.14 and the minimum toll will be \$0.55.

For heavy vehicles, the GST inclusive cents per kilometre rate will increase from 121.59 cents to 122.13 cents. The GST inclusive maximum toll will be \$24.42 and the minimum toll will be \$1.65.

Tolls on the Westlink M7 are adjusted quarterly in line with movements in the CPI.
