

23 December 2019

Quarterly toll price adjustment from 1 December 2020

A quarterly toll adjustment on the Westlink M7 motorway will take effect from **1 January 2020 to 31 March 2020**.

The toll price is reviewed quarterly in accordance with the project deed signed between Westlink M7 and Roads and Maritime Services in 2015.

Tolls on the Westlink M7 are adjusted in line with movements in the CPI.

For cars and motorcycles, the GST inclusive cents per kilometre rate will increase from 41.18 cents to 41.39 cents. The GST inclusive maximum toll will be \$8.28 and the minimum toll will be \$0.56.

For heavy vehicles, the GST inclusive cents per kilometre rate will increase from 123.53 cents to 124.18 cents. The GST inclusive maximum toll will be \$24.84 and the minimum toll will be \$1.68.

Westlink M7 uses a distance-based tolling system. For trips of less than 20 kilometres, the toll is calculated on a cents per kilometre rate. For trips of more than 20 kilometres, the toll is capped at 20 kilometres.
