

How to pay

Westlink M7 is a fully electronic toll road with no toll booths or boom gates. To pay you need to organise an electronic tag or a Visitor's e-PASS before you travel or no later than 3 days after your first trip. If you already have an electronic tag, it can be used on Westlink M7.

Get the best from Westlink M7 with Roam

e-TAG® account

With a Roam e-TAG account, you can choose automatic or manual top up to maintain your pre-paid balance. It's the best choice for frequent users and works on all toll roads bridges and tunnels in Australia.

Ask about the e-TAG account with no service fees.* To get up and running all you pay per e-TAG is a \$40 refundable deposit and a \$50 opening payment for pre-paid tolls.^

Visitor's e-PASS (No e-TAG required)

When you set up a Roam Visitor's e-PASS you register your number plate with us. As you travel on toll roads, your number plate is recognised at each toll point and your tolls are charged automatically to your pass. With a Visitor's e-PASS you can travel on any Sydney toll road without needing an e-TAG, during a period you specify (up to 30 days).

Only pay for the sections you use

Distance based tolling means you'll pay less for short trips and one-way continuous trips over 20 km are capped at \$8.11 for cars and \$24.33 for trucks. Westlink M7 prices are different for cars and trucks.

To check the price of a trip:

1. Locate your entry point on the left hand side of the price grid (see shaded example: Quakers Hill Pwy).
2. Follow the horizontal line of the entry point to your exit point (see shaded example: Norwest Blvd).
3. Trucks: Multiply the toll by 3.00.

(Refer to the map above for more detail about entry and exit points)

*Toll prices include GST and exclude any fees and charges that may be charged by your electronic tolling service provider.
