Westlink M7 - Quarterly toll price remains same from 1 July 2019

Toll pricing on the Westlink M7 motorway will remain the same from **1 July 2019 to 30 September 2019**.

The toll price is reviewed quarterly in accordance with the project deed signed between Westlink M7 and Roads and Maritime Services in 2015 and is adjusted in line with movements in the CPI.

Westlink M7 uses a distance-based tolling system. For trips of less than 20 kilometres, the toll is calculated on a cents per kilometre rate. For trips of more than 20 kilometres, the toll is capped at 20 kilometres.

For cars and motorcycles, the GST inclusive cents per kilometre rate will remain at 40.93 cents. The GST inclusive maximum toll will be \$8.19 and the minimum toll will be \$0.55.

For heavy vehicles, the GST inclusive cents per kilometre rate will remain at 122.78 cents. The GST inclusive maximum toll will be \$24.57 and the minimum toll will be \$1.65.
